

2018 AKGA Nominee Questionnaire

The AKGA Board of Directors feel that the membership would benefit from knowing your qualifications as a board member. In addition to your resume, please complete and return to Angie Loos, AKGA Secretary at secretary@kikogoats.com by March 15th. **Feel free to place your responses on this word document.**

1. Why are you interested in committing your time & energy to the Association?

As an active breeder/member, I feel that it is time to step up and help the Association.

2. What do you think are the characteristics of a great board member?

Professionalism, Honesty and Integrity are the most important in my opinion.

3. Do you feel as a board of director you should be held to a higher standard of conduct than regular members and exercise due care and undivided loyalty for the interests of the association?

I think if the members elect an individual to represent the Association, that person should be held to a higher standard. I think all elected officials should be loyal to the AKGA, however due to the fact that there are 3 different Kiko organizations in which members can be associated with, I don't feel that an individual should be considered disloyal to the AKGA by being a member of another organization.

4. Describe your past experiences as a volunteer or any experience with a nonprofit board.

I have served on many volunteer and nonprofit boards, including the American Quarter Horse Association.

5. Are you willing to accept the responsibilities of an officer? If so, which office/s?

Yes, I am willing to serve wherever the membership feels that I will be most useful.

6. List 3 top goals that should be considered for the AKGA to accomplish during the next 2 years. Ensure the goals you list are measurable and attainable.

Growth of membership

Addition of more events to allow members to get involved.

Strengthen the relationship between breeders and the Association.

7.. What do you see as the biggest challenges to the continued success and growth of the AKGA as an association?

The biggest challenge that I can see is the willingness to embrace change.

8. Are you comfortable and competent in the creation and use of email and their attachments?

Yes

9. Please list any computer software programs have experience with (Word, Excel, Access).

I am comfortable with most Microsoft Office programs, including Word, Excel, Power Point, etc.

I have a lot of experience in accounting, as well as government regulations and legal matters for Non Profit organizations.
