**Dear AKGA members:**

Please accept this resume' for the office of AKGA President, as I am honored to be nominated for this position. I have been in the livestock industry for over 30 years, with heavy involvement in registries for the past 20 years. I have served on several Boards of Directors from local clubs to national organizations, including the American Quarter Horse Association. I understand the importance of having an individual with a strong level of professionalism and leadership, and I believe those are two characteristics that describe me well. Along with my family, I live on a working cattle, horse and goat ranch where we are still very involved in all aspects of livestock production. I look forward to the opportunity to serve all of our members in a fair and honest fashion while also growing the membership and strengthening relationships both between members as well as member/association relationships.

Sincerely,

**James Sanders**
